

# TROPHEE ELF MOTO

TOTAL FRANCE and TOTAL LUBRIFIANTS (mentioned collectively in the following as the "Organizers" and individually "FRANCE TOTAL" and "TOTAL LUBRICANTS ") organize collectively the Elf Moto Trophy 2008. The conditions of participation of this event are defined in the present document.

## REGULATIONS

### Article 1

#### Principle of the Trophy

The organizers provide the competitors engaged in the Elf Moto Trophy with technical support. Besides, a reward will be assigned to the 5 top motorcycle finishers of the official final ranking amongst the racers registered for the trophy<sup>1</sup> who are not benefiting from a personal or individual technical support except the one planned within the framework of the present ELF Moto Trophy.

### Article 2

#### Eligibility

The Elf Moto Trophy is intended for all **motorcycle or quad competitors** officially registered for the Dakar 2008 and having returned their bulletin of membership duly fulfilled and signed to TOTAL LUBRICANTS to take part in the Elf Moto Trophy.

However, TOTAL LUBRIFIANTS reserves the right to reject the registration in the Elf Moto Trophy of motorcycle or quad competitors who have already signed a commitment with a company competing with TOTAL LUBRIFIANTS, or one of the companies of the same Group, and if the said commitment results in the marking of the Motorcycle (or Quad) and/or the rider (outfit, helmet).

### Article 3

#### Provisions:

All the competitors driving motorcycle or quad registered in Dakar will receive from A.S.O (Amaury Sport Organisation), appointed by the Organizers, commitment proposals for the Elf Moto Trophy.

The competitors who want to register have to send back their bulletin of membership to TOTAL LUBRIFIANTS before the 20<sup>th</sup> of December 2007.

The final list of competitors in the Elf Moto Trophy will be drafted during the evening of 4 January 2008, after the closing of the technical inspections and in keeping with the last registrations.

The definitive list of the competitors in the Elf Trophy Motorcycle will be established during the evening of January 4th, 2008 and displayed in Lisbon in press room, after the closing of the technical inspections and in keeping with the last registrations.

The competitors registered before 20/12/2007 will be also warned by mail.

### Article 4

#### Establishment of the rankings

The rankings for the Elf Moto Trophy will be published each day by the organisation, as of the 2<sup>nd</sup> African step and posted on the leader board.

---

<sup>1</sup> For the allocation of the rewards, see the conditions of functioning of the ELF MOTO Trophy.

At the same time, a copy of the rankings will be provided to the people in charge of the Elf Moto Trophy, for display in the motorcycle area.

## **Article 5**

### **Trophy and prizes**

A Trophy and a prize will reward the first five competitors, who are not benefiting from any individual or personal technical support except the one planned within the framework of the present Elf Moto Trophy and who will appear in the final ranking of the rally.

The amount of the prizes will be as indicated below:

1<sup>st</sup> in the rally final rankings: €10,000

2<sup>nd</sup> in the rally final rankings: €5,000

3<sup>rd</sup> in the rally final rankings: €3,000

4<sup>th</sup> in the rally final rankings: €2,000

5<sup>th</sup> in the rally final rankings: €1,000

## **Article 6**

### **Materialization of the Trophy**

The Trophy, distributed to the top five competitors according to the article 5 above, is a block of Plexiglas in which the “Elf” logo is represented.

## **Article 7**

### **Awarding of the Trophy and prizes**

Trophies will be handed, on the arrival podium in Dakar, to the top five competitors who are not benefiting from any individual or personal technical support except the one planned within the framework of the present Elf Moto Trophy. A fake check, indicating the amount corresponding to their ranking, will be also handed to competitors. The actual payment of the prizes will be realized by TOTAL FRANCE within the 2 months which will follow the arrival of Dakar.

## **Article 8**

### **Services provided to competitors registered for the Trophy**

Besides trophies and prizes offered to the top five competitors (quad or moto) who are not benefiting from any individual or personal technical support, the participants in the ELF Moto Trophy benefit from a technical support throughout the rally:

- Setting on all the African stages (except the step of arrival to Dakar and the marathon-steps) of a lightened and marked out reception structure, equipped with basic tools and staffed by three representatives of the Organizers.
- Free Supply of specialized motorcycle products, from the Elf Moto range Motorcycle, the list of which is joined in annexe1. Products will be distributed to all the competitors engaged in the Elf Moto Trophy, within the limits of needs corresponding to a normal use, that is equivalent of four oil drain per competitor registered on the Elf Moto Trophy.

## **Article 9**

### **Obligations of riders involved in the Elf Moto Trophy**

Each competitor signing the bulletin of membership for the Elf Moto Trophy makes a commitment, for the duration of the rally, to wear the Elf colours on his/her motorcycle, outfit and helmet, following the plan of laying joined in appendix 2.

He(she) authorizes the Organizers and/or one of the companies of the same group to use, reproduce and diffuse, on any supports/media, his/her name and/or his/her image, all over the world and for indefinite duration, for advertising or promotional purposes.

The organizers reserve the right to exclude every participant who would not respect the aforesaid commitments during all the duration of his/her participation in the rally or who would sign a commitment with a competing company and that would result by a marking on the motorcycle and/or on the pilot during the course of rally.

#### **Article 10**

##### **Information for competitors**

The present conditions of functioning of the Elf Trophy Motorcycle are available from TOTAL FRANCE (TOTAL FRANCE - Direction Compétition – 24, cours Michelet – La Défense 10 – 92069 Paris La Défense Cedex) or from ASO (ASO – Relations concurrents – A.S.A. du Paris Dakar – 2 rue Rouget de Lisle 92130 Issy Les Moulineaux). All competitors have been informed of the existence of this Trophy through the sport regulations published by ASO in June 2007 and through a personal letter sent to their homes by TOTAL LUBRICANTS as of November 2007 and then in keeping with their registrations for the rally.

#### **Article 11**

##### **Modifications to the regulations**

In agreement with ASO, TOTAL FRANCE can modify these regulations before or during the rally, according to special circumstances that might affect the normal progress of the 30<sup>th</sup> Dakar race. In this hypothesis, the competitors participating in the Elf Moto Trophy will be informed by means of a notice displayed at the race control station. In case of force majeure, TOTAL FRANCE also reserves the right to interrupt the Elf Moto Trophy during the rally.

#### **Article 12**

##### **Data processing**

According to the French law n°78-17 of January 6<sup>th</sup>, 1978 "Computing and Liberties", the participants in the Elf Moto Trophy can consult, modify the information concerning them or being removed from the file on simple written request to the following address: TOTAL LUBRIFIANTS S.A.; for the attention of Christelle MOURDON, Immeuble le Diamant B; 16, rue de la République - 92 922 PARIS LA DEFENSE Cedex France, without forgetting to indicate their name, first name and address.

#### **Article 13**

##### **Regulation of conflicts**

The present conditions of functioning of the Elf Moto Trophy are subjected to the French law, without prejudice of the possible rules of laws' conflicts which can exist and in the competence of the courts depending on the Court of Appeal of PARIS.
